JANUARY 2026

Woodridge  
Music Studio<sup>LLC</sup>

## SENIOR SPOTLIGHT: MARIE PRZYBYLA

Marie plans to attend Indiana University to pursue a degree in marketing. In addition to her academic interests, she enjoys playing volleyball, photography, and cooking.

She has played the violin since 6<sup>th</sup> grade and has been a student of the studio for approximately 3 years. She has been a choral member of Woodridge Music Academy for 5 years.

We would like to wish a **HAPPY NEW YEAR** to all of our current families and warmly welcome those who are new to our studio. We are excited to begin another year of teaching music and encouraging our students to continue growing in both skill and appreciation for music.

After the holidays, winter can sometimes bring a natural lull in schedules and motivation. For students participating in winter competitions, however, this season offers strong incentive to practice diligently and strive for every possible point toward earning ribbons, medals, or certificates. For students who may be too young - or beyond the age - to participate in competitions, winter is still an excellent time to focus on personal growth. Setting goals such as completing a certain number of pages or books can provide meaningful direction and progress.

The hard work invested now will pay off, whether it leads to a successful spring recital or simply the satisfaction of reaching personal musical goals. Consistent effort and dedication always make a difference, and we look forward to seeing the growth this season brings!

Keep on playing and singing!  
Lauri Wood

## Books Finished

Congratulations to these students who finished books in December:

Emily  
Jon  
Nathan  
Gracie  
Brooke
